Dear Professor Banerjee:

Thank you very much for this email, and for informing us that you have formulated detailed syllabus for B.Ed. and M.Ed. which shall be implemented all over West Bengal. I must note that NCTE does not approve any syllabus for which the respective affiliating bodies/state governments are responsible.

However, we had facilitated your process by suggesting a list of experts and sending the draft syllabus being finalised by NCTE. The respective affiliating bodies have also liberty to adapt the model syllabus to local contexts to some extent. Since you have finalised the syllabus based on expert guidance provided by experts and which confirms to 2-year equivalent credit hours and number of marks as given in NCTE draft model syllabus, you may like to go ahead to implement from 2015-16 session as you deem fit.

We shall be glad to further facilitate such and other processes in teacher education in future.

Warm regards,

Prof. Panda
